# Bee active

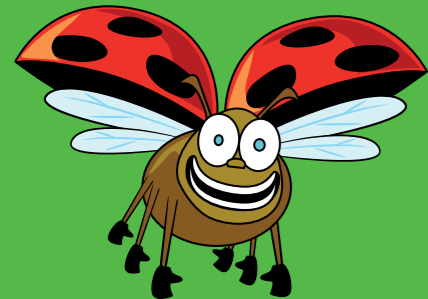

Hello, my name is Bee. I want you to meet my friends, Wizzy and Scoot.

We like being active when we travel to see our friends and family. We love walking and cycling to school too!

Travelling actively is very good for your health and great fun to do with friends and family and it's great for the environment!

Wizzy

Why don't you join us and travel to school actively at least once a week?

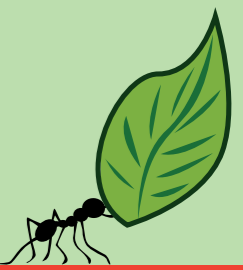

Scoot

Wizzy has lost her favourite walking shoes, can you help us find them?
